

## 5. The Client Portal

*The allocated person from the client side can access the relevant information based on full security and discretionary access from the firm side.*

*The advantage of the client portal as follows:*

- *Immediate access to the Financial Statement / ICV file.*
- *Avoiding email communications.*
- *Secure access for the client's Financial Statement and other relevant information.*

The screenshot shows a web browser window displaying a client portal. The browser's address bar shows the URL: <https://qa.casewarecloud.com/alderbasti/webapps/#Entities/view?entityId=7722&viewkey=Item>. The page title is "AI Ali for Engineering and Contracting and Trading".

The main content area is divided into several sections:

- General:** Type: Clients, Country of Registration: Qatar, Entity number: 46694.
- Profile:** Status: Active.
- Files:** A table with columns for Name, Last Modified By, and Last Modified Date. It contains two entries:

Name	Last Modified By	Last Modified Date
ICV Certificate - Signed.pdf	Eisa Alderbasti	24-Jul-2022
FFR - Signed.pdf	Eisa Alderbasti	24-Jul-2022
- Engagements:** A yellow message box states: "No files have been added that match the selected filters."
